I just spoke with Renita Griggs and verbally confirmed that September 30 (6-8 pm) works for CM Arnold as well. Please block off the time, and thanks for your help scheduling this.

Paul, can you please reach out to Ed Mekeel ASAP and let him know we are clear for 9/30, and that EPA should send over a calendar invite? Thanks all!

External!

Hi Maria,

I hope you are well. Earlier this week, Councilman Atkins had a great meeting with our Regional Administrator Ken McQueen. During the meeting, the councilman mentioned he would like to take lead in assisting the coordination of attendance of CAG meetings for himself and the other council persons from District 4 and 7. Now that we are working to schedule that first CAG meeting, I wanted to reach out to you and Councilman Atkins to see what dates may work for everyone.

We are hoping to hold the first CAG meeting at the end of this month (September 2019). This meeting is not be open to the public, and would also be staffed by our contracted facilitator Mr. Michael Lythcott to establish protocol and communication processes moving forward. EPA will also share an update about the site regarding the Phase 1 sampling.

Please let me know what may be some good potential dates, and a suggestion of a venue if possible.

Thanks for your assistance,

-Ed-
